

School Nutrition Program

Healthy Start Academy provides a nutritious breakfast and lunch to all students each school day at no cost to the student.

We are a sponsor of the National School Breakfast and Lunch Programs, and all enrolled students receive meals through the Community Eligibility Provision (CEP) made possible by the United States Department of Agriculture (USDA). Healthy Start Academy's meal service is automated. Students are issued a 4-digit PIN number and are expected to memorize this number as they use it as they enter the cafeteria line. PIN numbers are confidential and should never be shared.

Students may bring their lunch from home. Parents and guardians are encouraged to eat lunch with their student; however, due to our no-cost program, school meals are not provided to adults, and visitors should bring a bag lunch.

Please note that all visitors are asked to respect our no fast-food policy.
